

RUSHTON

ACCOUNTING & BUSINESS ADVISORS | CERTIFIED PUBLIC ACCOUNTANTS

CONSTRUCTION DIVISION

THE CONSTRUCTION INDUSTRY IS UNIQUE, COMPLEX AND ALWAYS CHANGING.

That's why it is important that construction-related firms - from commercial and general contractors to subcontractors and construction service companies - work with a business consulting and accounting firm that has focused experience and expertise in the industry.

For many years, Rushton has provided specialized business services to the construction industry in four key areas:

- Operations
- Bonding
- Financing
- Taxes

BUSINESS PLANNING FOR THE CONSTRUCTION INDUSTRY

Rushton Construction Division will advise you in making the smartest strategic decisions for long-term growth and sustainability. They are experts in the business of construction, staying on top of industry trends through membership and involvement in key trade organizations such as CFMA (Construction Financial Management Association) and ASA (American Subcontractors Association).

Members of Rushton's Construction team also have diverse experience ranging from the banking side of loan and credit reviews to hands-on experience in construction operations.

CONSTRUCTION EXPERTISE

- Project management
- Job costing
- Financing
- Indirect costing and overhead management
- Construction financing
- Bonding
- Risk management
- Taxes
- Asset acquisition and management

OVER THREE DECADES OF SERVICE

Serving a client base throughout the Southeast as well as abroad, Rushton has provided the construction industry with business consulting and accounting services since 1981. The firm offers a full range of accounting and business planning services from its base in Northeast Georgia, just north of Atlanta. Rushton also provides advantages for companies working internationally through its affiliation with Crowe Horwath International and CPAmerica, which provide the combined resources of more than 670 offices worldwide.
